About This Content

A top secret government communications facility responsible for intercepting and decoding the enemy's transmissions has gone radio-silent. In a desperate attempt to turn the tides of the secret war, Special Agent Carter and his squad must investigate the incident, eliminate any threats, and make contact with personnel in order to bring the facility back online and make sense of the mysterious code.

Wow, do NOT buy this full price. Only get it on a sale and honestly you aren't missing anything if you pass on it. (in fact you probably should) Took me 16 minutes to play, only two small fights, no valuable story content.. Wow, do NOT buy this full price. Only get it on a sale and honestly you aren't missing anything if you pass on it. (in fact you probably should) Took me 16 minutes to play, only two small fights, no valuable story content..
